Chorus:

Can we talk I got something to say.
I really hate it when it rains all day.
Now we're sitting here with nothing to do,
On a lazy, rainy, afternoon.
Mom suggested we could clean up our room.
I thought she was joking until she gave us a broom.

Now were sitting here with nothing to do, on a lazy,
rainy, afternoon.

Let's start a circus right here in our room.
A sort of travelling fair.
I'll be the juggler, you be the clown.
You look so good with green hair.

Let's stage a play right here in our room.
That to be or not to be stuff.
Even Shakespeare had to start out somewhere.
The road to stardom is tough.

We're just so bored we don't know what to do.
We need adventure to help get us through.

Now were sitting here with nothing to do, on a lazy,
rainy, afternoon.

Let's wear our clothes all inside out
And see if anyone cares.
Let's draw big dots on our faces and hands
And see if anyone stares.

Let's go exploring for treasure and gold.
There's some downstairs, I have a hunch.
Let's make a raid to the kitchen and back.
I'm getting hungry for lunch.

Chorus

On a lazy, rainy, afternoon.
On a lazy, rainy, afternoon.
