On a day like today I want to show you a place  
That's always under sunny skies  
All the things that we'll see, I can guarantee  
Time will seem to ride  
(We can hardly wait,)  
Senses will be reelin'  
When we go up and down  
Up, down and around

Chorus:

Meet you at the mall  
(There's no time to waste)  
I'm so glad you're calm  
Meet you at the mall  
An unconditional wonderful spectacle  
Meet you at the mall

There's a merry-go-round, teddy bears and games  
And clothes that are to die for  
And a school of fishes passing by  
As they play on the second floor  
(Is it really real?)  
What a happy feelin'  
When we go up and down  
Up, down and around

Chorus

It's a fantasy, it's make believe  
It's come let's see just what can happen  
It's mystery, it's feed me sleepy  
oh it's up and down  
Up, down and around

Chorus
