Free falling out in space
Flying high this is the place
Gravity can't hold you down
When your feet are off the ground

We're jumping and there's lots of room
Moon Bounce Madness in the afternoon

We jump down touch the sky
crash against the wall so high
sit down you bounce right back
you walk out do a jumping jack

We're jammin' and there's lots of room
Moon Bounce Madness in the afternoon

Do rings around Venus
Do a twist on Mars
Blast into orbit
Moon Bounce to the stars
Nothing can hold you down
Keep on turning round and round
You can hip-hop you can bop
You can spin just like a top

Free falling where there's lots of room
Moon Bounce Madness in the afternoon

Do rings around Venus
Do a twist on Mars
Blast into orbit
Moon Bounce to the stars
Nothing can hold you down
Keep on turning round and round
You can hip-hop you can bop
You can spin just like a top

Free-falling bouncing back
We're so cool we got the nap
Flying high and diving low
We're high-fiving as we go

It's over and much too soon.
Moon Bounce Madness in the afternoon.
Moon Bounce Madness in the afternoon.
Moon Bounce Madness in the afternoon.
