"My Horse And Me"

I had this dream
That I owned a horse
His name is River
He comes when I call
He's black and white so he stands out
And when I ride him I fell so tall

My horse and me
We ride around the world for there's so much to see
And I would never give him up for all the puppies in the
world
For I just wanna be my horse and me

I know it's hard to care for a horse
I will protect him from winter's chill
Oh, what a dream. Could it come true?
Will I find River and ride him in the hills?

My horse and me
We ride around the world for there's so much to see
And I would never give him up for all the puppies in the
world
For I just wanna be my horse and me
I just wanna be my horse and me
