Did you hear that did you hear it?  
Yikes! I think it's over there.  
It's a monster. It's the wind.  
Does the wind have lots of hair?  
Can a dinosaur be hairy?  
Stop! We'll never get some sleep.  
It's the wind, there's nothing scary.  
Look! A prehistoric sheep!

Chorus:

Is that a raptor in the woods  
The Loch Ness Monster swimming by  
Something's made off with our goods  
That must be Bigfoot just outside  
Wait! There's a simple explanation.  
It's just our imagination.  
Things that scare us in the night.  
Just seem funny when it's light.  
Right? Right. Right. Right.  
Goodnight. Goodnight. Goodnight.

Did you see that did you see it?  
Giant shadows in the trees  
It's a wombat. What's a wombat?  
No, I think it's killer bees  
No it's worse. It's from the iceage  
Something time has left behind  
It's a giant pterodactyl, with a little puny mind

Chorus

You guys, you've heard my explanation,  
It's just our imagination.  
Who's around and hold me tight.  
Just don't let the bedbugs bite  
Right? Right. Right. Right. Goodnight.

But if I don't make it, give my goldfish to my twin.  
I don't want your goldfish.  
But you're my next of kin.  
Sometimes you can't win.

Wait! I know the explanation.  
It's not imagination.  
Arm yourself it's time to fight  
or let's book ourselves a flight  
Right? Right. Right? Right. Right? Right. Right?

Chorus
