I'm waiting for the night when we go crazy
Don't sit around, no time to be lazy
Pump up the jam, as hot as we can
I need my friends around me 'cause I'm gonna take a
stand

On Saturday Saturday Night
Yeah we'll show them what's it all about
On Saturday Night... Saturday Night

Chorus
Everybody's playing the waiting game
And we just can't wait, til Saturday Night
Be with our friends and everything's all right
We'll kick off our shoes, and really cut loose
Yeah, we just can't wait
Til Saturday Night... Saturday Night

Well, we'll get made up, dressed up
Everyone will know we mean business
What's up, they'll say "tell me what is this?"
No body in a way, that's the way we like it

Better move overboard 'cause on
Saturday, Saturday Night
Yeah we'll show you what it's all about
On Saturday Night... Saturday Night

Chorus

(Can't wait til Saturday, Saturday)
Saturday Night
Saturday Night
(Can't wait til Saturday, Saturday)
Saturday Night
