Don't like 'em, but we love em,
knees are shakin' as we go.
Hold my hand cause where we're heading,
no one really knows.

This is kind of fun,
We must confide just makes ya wanna run away and
hide from
Screamin', steamin', slammin, jammin, really scary
rides.
Screamin', steamin', slammin, jammin, really scary
rides.
Woo!

So wild, it's so exciting.
It's so extreme. twistin', turnin', zoomin', faster,
you just got to scream!

This bad is good, we must confide.
We're laughing cause we're all shook up inside from
Screamin', steamin', slammin, jammin, really scary
rides.
Screamin', steamin', slammin, jammin, really scary
rides.
Woo!

Hang on, the world is spinning cause you're upside
down.
When ya can't go any higher, you drop down to the
ground.

Before we stop we must confide,
we love em cause we're feelin' so alive from
Screamin', steamin', slammin, jammin, really scary
rides.
Screamin', steamin', slammin, jammin, really scary
rides.
