There once was kid  
Who moved to the block  
From down around the bend  
He was a lonely new kid  
And the new kid needed a friend

One day a boy on a bike rode by  
The new kid waved and shouted  
"Hi!  
Hi! I'm the new kid  
Would you be my friend?"

But...the boy on the bike said  
"No indeed!  
I've got all the friends I need!  
However...I know a girl in gold  
Who's very friendly, I'm told"

So, off they set on a little hike  
The new kid and the boy on the bike  
To find a friend for the new kid  
'Cause the new kid needed a friend!

When they came to the girl in gold  
The new kid tried to be very bold  
"Hi! I'm the new kid  
Would you be my friend?"

But...the girl in gold said "Eeww,eeww  
I hate boys and that means you!...etc.  
However...I know a tiny tyke  
You would be someone she'd like"

So, the girl in gold and the boy on the bike  
And the new kid all set off on a hike  
To find a friend for the new kid  
'Cause the new kid needed a friend!

They found the tyke sitting in her crib  
Dribbling Gerbers down her bib  
"Hi! I'm the new kid  
Would you be my friend?"

But...they ting tyke said "Waa, waa!  
Waa, waa, waa, waa, waa, waa!...etc.  
I know a dopey dog  
He'd make friends with a log!"

So the tiny tyke and the girl in gold  
And the boy on the bike and the new kid  
All set off on a hike  
To find a friend for the new kid  
'Cause the new kid needed a friend!

To find the dog was not too hard  
He was burying bones in a neighbor's yard  
"Hi! I'm the new kid  
Would you be my friend?"

But...the dopey dog said "Ruff, ruff!  
Rauaaughf, ruf! ruf! ruf!"...etc  
And so the new kid hung his head  
And very sadly said,  
"If I can't make friends with a friendly pup  
I might as well give up!"

Weeks went by and his birthday came  
And he still didn't have a friend to his name  
When school was over home he trudged  
And he started to cry and his face got smudged  
And he opened the door..  
And he rubbed his eyes...  
And he heard a roar..."SURPRISE!"

Happy birthday new kid  
From all your very new friends!  
From the dopey dog and the tiny tyke  
And the girl in gold and the boy on the bike  
Now, every one of them was his friend  
Things take time...  
The end!
