I don't know about you but I'm not through  
'Cause when we're wrinkled and gray  
I hope there's still a kind in you,  
Who wants to come out and play.

Purple shirt!

What is this gadget in hand? What is for?  
It's not my imagination, I can see a dinosaur  
Oh, look at the pretty teddy bear  
Gotta hug that bear  
We're in a place that brings together  
Toy's you'll treasure forever  
Everything is here and waiting  
No time for hesitating

Chorus:

When I grow up (Grow up)  
I wanna be a kid (Be a kid)  
Look at all the really cool things kids can get into  
Ooh (oh)  
When I grow up (Grow up, grow up)  
I wanna be a kid (Be a kid)  
I wanna have some fun and stay forever young

This fits so easy in my hand  
It's a perfect size  
I wanna see that shiny tractor  
It depends on what you're after  
I gotta go see the kitchen store  
It's state of the art  
Everything is there for baking, boiling, broiling, oiling,  
shaking  
This paradise of toys just might be better than boys

Chorus

Everything is here for waiting, it's time for celebrating

Chorus (2x)

I wanna have some fun and stay forever young!
