Fell of my bike and it got bent  
Uh-Oh Accident  
Oh-No bike bent  
Accident  
Picked up a hammer and I hit my thumb  
Uh-Oh Accidumb  
Oh-No poor thumb  
Accidumb  
Jumped in the lake with a flying leep  
Uh-Oh Accideep  
Oh-No lake leep  
Accideep

Skin my knee, bump my head  
It's a wonder I live through  
All the stupid things I accidentally accido

Fell on my lunch and it was squished  
Uh-Oh Accidish  
Oh-No lunch squished  
Accidish  
Sat in the yard, got attacked by ants  
Uh-Oh Accidants  
Oh-No ants in my pants  
Accidants

Skin my knee, bump my head  
It's a wonder I live through  
All the stupid things I accidentally accido

Took me a bath and I ate the soap  
Uh-Oh accidoap  
Oh-No ate soap  
Accidoap  
This is the way my day is spent  
Uh-Oh Accident  
Oh-No day spent

I don't want no more  
ACCIDENT!!!
