I am so all-american, I'd sell you suicide  
I am totalitarian, I've got abortions in my eyes  
I hate the hater, I'd rape the raper  
I am the animal, who will not be himself  
Fuck it  
Hey victim, should I black your eyes again?  
Hey victim,  
You were the one who put the stick in my hand  
I am the ism, my hate's a prism  
Let's just kill everyone and let your God sort them out  
Fuck it  
Everybody's someone else's nigger / I know you are so  
am I  
I wasn't born with enough middle fingers/  
I don't need to chose a side  
I better, better, better, better not say this  
Better, better, better, better not tell  
I hate the haters, I'd raper the rapers  
I am the idiot who will not be himself  
Fuck it  
(chorus)
