I wake up in the heat of the night  
And the magic is there right away

I go outside, and I don't need a light  
'Cause I know that it's her calling me

I can feel her exotic scent  
Mixed up with a hot summer wind

Your dark skin nearly makes me faint  
Please open your heart let me in

Whispers in moonlight  
Light promises  
Shimmering lights dancing  
In raven black hair  
Black Desiree

Whispers in moonlight  
Why can't you see  
We're one with the night, forever  
Just you and me  
Black Desiree  
Black Desiree

She starts to sing an ancient tune  
Meant to soothe my soul

All I see is the rising moon  
And I'm going out of control

Whispers in moonlight  
Light promises  
Shimmering lights dancing  
In raven black hair  
Black Desiree

Whispers in moonlight  
Why can't you see  
We're one with the night, forever  
Just you and me  
Black Desiree
