Save my soul from  
The wicked ways of love

Let me drown in  
The ocean of your heart

I fade away into the darkness of  
Your evil mind woman

I'm begging for mercy save my poor soul  
'Can't bear this much longer I'm losing control

Cleopatra oh mighty queen  
Ruler of the Nile  
Your faithful servants will follow you  
Mile after mile

She is the bringer of sorrow  
She is the goddess of pain  
She knows there will be no tomorrow  
She's feeding us black lies again  
She's insane

Let me drink the filthy  
Poison of your blood

Let me swim in the magic  
Halo of your soul

The rain and wind, blast and blow,  
The sun and moon  
Obeys you woman

I'm begging you save me I'm out of control  
Surrounded by evil it's taking its toll

Cleopatra oh mighty queen  
Ruler of the Nile  
Your faithful servants will follow you  
Mile after mile

She is the bringer of sorrow

She is the goddess of pain  
She knows there will be no tomorrow  
She's feeding us black lies again  
She's insane

Untouched by cloud or shade of night  
She's standing tall, fair and bright  
Praise her name  
Ignore her shame...

She is the bringer...
