I came to this world not knowin' nothin Mom said my dad is dead, I know she's bluffin

You don't know my pain My lyrics hit your heart, and spin your brain

When I hit tha scene I'm hard to handle My ice so bright like a thousand candles

You won't see a flow like this ever in yo life I spit it hard while I'm F*ckin your wife

I came down with my yellow bone Sprees on my motorhome Wood grain on my phone

Our CD will be out soon! W.B.F. (White Boy Freestyle)
