you dont know to run, stay, or look and fight/
people dont know how long i can last/
i got ice clearer then see tho glass/
the ice on my neck is cutin on my lip/
how i look and how i walk, you can call me mr. pimp/
i will call u mr. gerber, cuz i filp more bitch then your

dont be mad cuz im the peoples pick/
just get on your knees and suck my dick/
while your down there can you clean and tie my shoes/
i have been meaning to do that but now i got u/
i hate people that run and shoot birds/
its a race thing like white people saying the "n" word/
look at my watch, it has more ice then a iced out fox/
