im risin from the sarchophagus,
the amnomnius,
opposite to moderate
rockin apocolypse from my asophagus
Cos im a sabertooth with razors blazing
your arrays with lasers aimin to amaze
the deprived and crazed.
i am the centre of doom
fuck it, buckets turn pale when i exit the tomb
you all no i respect those before me
thats why i ressurect shakespeare to write my life story
cud yall tell me whats up with these try hard homies
there hats bak to front but i think there fonies
fuck it in outta here
