y cant they ever see  
that im just tryin to be me  
y cant they ever see  
that they wont let me be  
y cant they ever see  
that im just a regular boy  
y cant they ever see  
that im some wind up toy

now there's my mom  
[such a pain in the neck]  
she's givin me the hardest time of my life  
im tellin u dad u need a new wife  
she's always on my back about gettin my work done  
its like im on crack and it ant no fun  
i dont like to read and i dont know y u care  
but that ant a tru reason to pull out ur hair  
and if ur wonderin if im smart  
i am  
then y should i waste my time where all the cows fart

y cant they ever see  
that im just tryin to be me  
y cant they ever see  
that they just wont let me be  
y cant they ever see  
that im just a regular boy  
y cant they ever see  
that im not some wind up toy

and of course there's my dad  
i dont know y he thinks im so bad  
its cuz i dont dress like him  
we dont have nething in common ne more  
except for the color of our skin  
sometimes he yells at me  
like im not a real person  
but its not just the noise that gets to me  
to me its always about the cursin

y cant they ever see

that im just tryin to be me  
y cant they ever see  
that they just wont ever let me be  
y cant they ever see  
that im just a regular boy  
y cant they ever see  
that im not some wind up toy
