The flight to freedom gradient raise the called
ascendant.
And reach supreme the coalesced eye into surrender.
Centripetal core of soul sojourn the field vibrates to
absolution.
I climb toward the sun to breathe the universal.

The flight to freedom gradient raise the called
ascendant.
And reach supreme teh coalesced eye into surrender.
Centripetal core of soul sojourn the field vibrates to
absolution.
I climb toward the sun to breathe the universal.

The flight to freedom gradient raise the called

And reach supreme onto salute sun's rays and now
form surrenders.
Centripetal core of the soul's sojourn watch the field
brates to absolution.
I climb toward the sun to breathe the indrawn universal.
