angelique : i can't live without you

i woke up last night  
thinking of you  
reminiscing of  
these moments we spend together  
let's go back to where we were  
and start all over again  
all i want it's just the chance  
if i could i go back in time  
to change my roms to rhymes  
all i want it's just the chance

(chorus)  
ohh i can't live without you  
my darling  
without you i can't go on  
ohh i can't live without you  
my darling  
there's no reason to live for  
(again)

wishing on a star  
hoping dreams come true  
thinking of a kiss  
that you and i once knew  
let's go back to where we were  
and start all over again  
all i want it's just the chance  
if i could i go back in time  
to change my roms to rhymes  
all i want it's just the chance

(chorus)spanish  
ohh i can't live without you  
my darling  
sin ti me quiero morir  
ohh i can't live without you  
my darling  
sin ti me muero mi amor  
(again)

let's go back to where we were  
and start all over again  
all i want it's just the chance  
if i could i go back in time  
to change my roms to rhymes  
all i want it's just the chance

(chorus)spanish  
no puedo vivir sin ti  
mi vida  
sin ti me quiero morir  
no puedo vivir sin ti  
mi vida  
sin ti me muero mi amor  
(again)

no puedo vivir sin ti!!!!!!
