True you ride the finest horse  
I've ever seen  
Standing sixteen one or two  
With eyes wide and green  
You ride the horse so well  
Hands light to the touch  
I could never go with you  
No matter how I wanted to  
Ride on  
See you  
I could never go with you  
No matter how I wanted to  
Ride on  
See you  
I could never go with you  
No matter how I wanted to  
When you ride into the night  
Without out a trace behind  
Run your claw along my gush  
One last time  
I turn to face an empty space  
Where you used to lie  
And look for the spark that lights the night  
Through the teardrop in my eye  
Ride on  
See you  
I could never go with you  
No matter how I wanted to  
Ride on  
See you  
I could never go with you  
No matter how I wanted to
