Iâ€™m big Iâ€™m loud  
I can really raise some dust  
Iâ€™m big Iâ€™m loud  
I can really raise some dust  
And when I move  
All the women start to fight and fuzz

Shim sham shimmy  
Iâ€™m your boogie woogie booger boy  
Shim sham shimmy  
Iâ€™m your boogie woogie booger boy  
You can wind me up  
Iâ€™m like a bright new shiny toy

Turn me a-loose  
Iâ€™ll tear this whole joint down  
Turn me a-loose  
And Iâ€™ll tear this whole joint down  
Cause when my feet hit the floor  
I can really go to town

Shim sham shimmy  
Iâ€™m your boogie woogie booger boy  
Shim sham shimmy  
Iâ€™m your boogie woogie booger boy  
You can wind me up  
Iâ€™m like a bright new shiny toy
