Come on, pretty baby  
Honey what's wrong with you  
Come on, pretty baby  
Honey what's wrong with you  
You feel so bad and I don't know what to do

Last night, you's cryin'  
I know what I'm talking about  
Yeah, last night, you's cryin'  
I know what I'm talking about  
But daylight come all you wanna do is sit and prowl,  
yeah

You can talk, to me baby  
Is it something that I said or done  
You can talk, to me baby  
Is it something that I said or done  
When you feel like this now life just ain't no fun, yeah
