Jump back baby keep your big mouth shut
Don't say nothin' cause you've run outta luck
You have made me evil tellin' all your lies
You pushed me too far I'll commit a crime

Don't tamper with my temper
Don't fool with my cool
I'll learn you something they didn't teach you at
school
You better jump back baby while you still can
I'm warning you baby I'm a dangerous man

You better watch you better sho-nuff behave
Cause you don't wanna make me start to rant and
rave
You poke the stick at the monkey just one more time
You gonna drawback begin to scream and cry

Don't tamper with my temper
Don't fool with my cool
I'll learn you something they didn't teach you at
school
You better jump back baby while you still can
I'm warning you baby I'm a dangerous man

Jump back baby better jump back
