I caught a glimpse of something pink  
The smell of fancy french perfume  
I couldn't talk, I couldn't think  
I followed her across the room

She looked at me and I could see  
This was something I should be up to  
Later that night, when things got right  
She did exactly what I thought she'd do

It only took a minute to get beyond the limit  
Of any place I'd ever been  
I thought that it was over, she tapped me on the  
shoulder  
And then she went and did it again

I couldn't wait to tell the world  
You won't believe this girl I met  
When I awoke, she'd disappeared  
I can't believe one night is all I get  
But it's a fact a girl like that  
Is too good to be true  
I should have known, it wouldn't last  
She did exactly what I thought she'd do

The crazy things that she'd do  
Were just a little voodoo  
For a country boy like me  
She didn't mean to hurt me  
My world went topsy turvy  
She could have told me she was gonna leave
