Weâ€™re wearinâ€™ false faces
And it ainâ€™t even halloween
Weâ€™re wearinâ€™ false faces
And it ainâ€™t even halloween
Weâ€™re pretending but things ainâ€™t
Waht they seem

Weâ€™re puttinâ€™ on that things ainâ€™t going wrong
Weâ€™re puttinâ€™ on that things ainâ€™t going wrong
Weâ€™re ignoring whatâ€™s really going on

Weâ€™re wearinâ€™ false faces for everyone to see
Our false faces are really scaring me
Iâ€™m sick and tired - itâ€™s a masquerade, yeh
Weâ€™re wearinâ€™ false faces thatâ€™s the game we play

Shuck-it - Peel it
Shick-it - Peel it

Our false faces you know they just ainâ€™t real
Our false faces you know they just ainâ€™t real
Iâ€™m gonna shuck this mask
Thatâ€™s the way I feel

Weâ€™re wearinâ€™ false faces for everyone to see
Our false faces are really scaring me
Iâ€™m sick and tired - itâ€™s a masquerade, yeh
Weâ€™re wearinâ€™ false faces thatâ€™s the game we play
