I got my heart set on you  
Ain't nobody else will do  
It's so very plain to see  
You're the one that's meant for me

Ain't a thing that you can do  
I got my heart set on you

It happened on the day we met  
Now I just can't help myself  
I'm gonna pull a monkey shine  
Got what it takes to make you mine

Ain't a thing that you can do  
I got my heart set on you

I got my heart set on you  
Ain't nobody else will do  
Take your doubts and lay 'em down  
Feels so good when you're around

Ain't a thing that you can do  
I got my heart set on you

I done had me a talk with St.Valentine  
I told cupid to make you mine  
Take out an arrow pull back his bow  
Piece your heart and then you'll know

Ain't a thing that you can do  
I got my heart set on you  
Ain't a thing that you can do  
I got my heart set on you
