Over on the corner is the Ju Ju man  
He can put a monkey paw in your hand  
And if you want your future told  
The gypsy woman's got the house next door

Yonder goes the hoo-doo rhythm man  
Shakes 'dem bones in the hoo-doo band  
He's headed down to the union hall  
He gonna have a Hoo Doo Ball  
Gonna be rockin' at the Hoo Doo Ball  
He gonna rock at the Hoo Doo Ball

Tangle Eye told Jungle Jim  
Tell Memphis Minnie and Lightnin' Slim  
And don't forget old Speckle Red  
Cadillac George and Dime Store Fred

Yonder goes the hoo-doo rhythm man  
Shakes 'dem bones in the hoo-doo band  
He's headed down to the union hall  
He gonna have a Hoo Doo Ball  
Gonna be rockin' at the Hoo Doo Ball  
He gonna rock at the Hoo Doo Ball

Do the black cat boogie all night long  
Screamin' Jay gonna sing his song  
He's gonna put a spell on you  
Then Howlin' Wolf gonna sang one too

Yonder goes the hoo-doo rhythm man  
Shakes 'dem bones in the hoo-doo band  
He's headed down to the union hall  
He gonna have a Hoo Doo Ball  
Gonna be rockin' at the Hoo Doo Ball  
He gonna rock at the Hoo Doo Ball
