I got hell hounds on my trail  
Bad luck and trouble ride on my tail  
I got rattlesnake blood runnin through my veins  
You turn around and I'm gone again

People know me ever where I go  
Men don't understand but the little girls know  
I pick em up and I put em down  
It makes em nervous when I move around

I got the shake I got the rattlesnake shake  
I got the shake I got the rattlesnake shake  
I got the get-goin fever in my travelin bones  
I got the rattlesnake shake and I gotta move on

Been everywhere and back again  
I need to move I'm a movin' man  
I got highway fever I'm a rollin stone  
The shirt on my back is all own

I got the shake I got the rattlesnake shake  
I got the shake I got the rattlesnake shake  
I got the get-goin fever in my travelin bones  
I got the rattlesnake shake and I gotta move on

guitar

People know me ever where I go  
Men don't understand but the little girls know  
I pick em up and I put em down  
It makes em nervous when I move around

I got the shake I got the rattlesnake shake  
I got the shake I got the rattlesnake shake  
I got the get-goin fever in my travelin bones  
I got the rattlesnake shake and I gotta move on

I got hell hounds on my trail  
Bad luck and trouble ride on my tail  
I got rattlesnake blood runnin through my veins  
You turn around and I'm gone again

I got the shake I got the rattlesnake shake  
I got the shake I got the rattlesnake shake  
I got the get-goin fever in my travelin bones  
I got the rattlesnake shake and I gotta move on  
(repeat 2 times)
