"Rose Tattoo"

Old enough to know
Too young to drink champagne
Old enough to know
Too young to drink champagne
She might let you told her
But she's way too wild to tame

Such a pretty thing
Her eyes are soul deep blue
Such a pretty thing
Her eyes are soul deep blue
And on her bare shoulder
There's a rose tattoo

I'm gonna take her home to mamma
That's what I'm gonna do
I'm gonna take her home to mamma
That's what I'm gonna do
I know she'll learn to love her
But she won't like that rose tattoo
