"Special Love"

Iâ€™m so glad
I have found a special love
Iâ€™m so glad
I have found a special love
I believe it in my heart
Heaven sent you from above

Well I used to cry for mercy
â€™Cause my life was dark and cold
Used to cry for mercy
â€™Cause my life was dark and cold
Then you came in all your glory
I donâ€™t worry anymore

Before I found you baby
My heart was full of pain
You have made my life a joy
I will never be the same
Iâ€™m so glad I have found a special love
I believe it in my heart
Heaven sent you from above - Special love

Iâ€™m so glad
I have found a special love
Iâ€™m so glad
I have found a special love
I believe it in my heart
Heaven sent you from above - Special love
