### Verse 1:

When I realized I  
felt this way about you  
I wanted to run and hide  
but my heart pulled back  
I tried to go on living  
but I got tired of pretending  
Thought it would be the ending  
but this story was beginning

### Chorus:

Love turned off the lights, turned off the lights, turned  
off the lights  
Love made me so blind, made me so blind, made me  
so blind  
Faults were beautiful, I was gullable  
That's right, so blind  
You were incredible? I was delusional  
That's right, so blind

### Verse 2:

Your love made me so blind  
It f\*\*\*ed up my mind  
You leaving me behind  
gave me back my sight  
To me you were perfect  
To others you weren't worth it  
I know I didn't deserve it  
when my heart was broken to bits

### Chorus:

Love turned off the lights, turned off the lights, turned  
off the lights  
Love made me so blind, made me so blind, made me  
so blind  
Faults were beautiful, I was gullable  
That's right, so blind  
You were incredible? I was delusional  
That's right, so blind

### Middle 8:

Now that I got my sight back  
I know where I stand  
I see you for who you really are I understand  
You're just a big mistake I'll never make again  
I'm not a fool no more  
My eyes are wide open

I loved you from the bottom of my heart, but I was just  
blind, so blind

Chorus:

Love turned off the lights, turned off the lights, turned  
off the lights

Love made me so blind, made me so blind, made me  
so blind

Faults were beautiful, I was gullable

That's right, so blind

You were incredible? I was delusional

That's right, so blind
