I don't know  
why I do the things  
I do when I am alone  
I never know exactly where to turn  
I want to know  
if I could change all the way  
that I am if  
I can take the pain away from me

I never know what to do if I'm not with you  
I'm so indecisive within myself  
I wanna be with you then i say no  
when you say you do  
am i wrong? am i wrong?  
i don't know but i know  
that i love you  
but all this time  
that I am taking  
its making you very impatient...

Chorus:

I need to sort things out  
I cant let my conscience change my mind  
you are so great to me and I don't know why  
I keep changing my mind  
if you are the one I love...

tell me more  
am i wasting your time  
coming back and forth  
why do i even ask? if i know  
I've done  
all the worst mistakes  
you can do in your life...

ou la la la la ah oh oh oh...  
la ah ah ah oh oh oh oh...  
ooooohhhh oooohhhh ah ah ah ah ye eh eh eh..

chorus

instrumental

chorus

I need stop this now  
I can't keep moving oh my mind like that  
why do I keep on falling  
keep on falling  
keep on falling  
on things that I know  
that I know  
I want... oh oh oh oh oh oh  
I know I want it now  
I can never deny  
I can never deny  
that I want you baby  
I want you baby now

I can't keep lying  
can't keep lying  
can't keep lying  
can't keep lying oh oh oh  
can't keep lying  
want you  
want you  
to be part of my life....
