waterfalls of pride are falling down  
as I try to make my conscience understand  
that I'm the same that I was before  
I'm no one different than a couple years ago...  
that my ego has rise up  
oh trust me that's not true  
yes I value more things  
but I'm still the same ol' goof  
I've never changed any of my ways  
I know where I came from and whats coming on my  
way...

my pride and love are still going on  
but I know who I am  
that's who I've always been  
nobody else...

Chorus:  
now watch out here I come  
glamorous and full of life  
roll the carpet move away now  
cus I'm coming out tonight  
yes you see its fine with me  
give me another glass  
caramel apple martini on my mind  
yes sir come and go

I wanna dance and feel so good  
I have quite of pride and love  
so no one tell me what to do  
right now I just wanna feel alive  
come and get me closer wanna feel alive tonight

when I'm out in front of cameras  
I might be like this  
including partying anytime  
I'm out i feel so free  
but if you get to know me baby oh you will see  
I'm not a jerk I'm really cool someone you'd like to be...  
I'm not conceded I've succeeded trying to keep myself  
free  
from all the drama

that everyone tries to put on me  
cus I'm strong but I love what I do  
and I wouldn't change it for a thing...

chorus

lala la la lalalalalala  
lalalalalalalala la la la  
lalalalala la la la la ...
