baby offer me a glass of wine
and take me
(down below down below
and then show me your love)...
show me what you can offer to me oh baby
(wanna know wanna know
I'm so curious to fall)
in love with you
I need to know
what you can give me
baby baby...
I want to know
if you're the one
not like the others
that give me their bullshit
and tell me they love me...

Chorus:
come on just let go
come on just let go
show me what you got...
don't hold back no
don't hold back no
let me see your love...
I just want to know whats up
know that you're for real no lie
come on just let go
come on just let go
show me what you got...

oh oh oh oh
(oh oh oh oh)
ooh oh oh oh oh
(oh oh oh oh oh oh oh)

oh man! I am feeling so in control
and trust me
(I love it, I love it oh please give me more)
no one ever made me feel like this oh baby
(gimme more gimme more cus I'm loving it much)
I love this babe it feels so good don't stop it now
(I want it more x4)

its like lights are dimming out and i don't care
what happens cus this exactly what i want

chorus

baby show me what you got
tell me tell me no more lies
I am tired of all those fools
that don't know what to do..
I just I just I just I just wanna feel it right
I am tired of those people that don't know what's going
on...
