"Against Me"

Verse one

Another crazy night, last night
as i turned on the tv something aint right
they tryna make me out to be what I'm not
now they got me questioning if I'm really hot (yeah)

Hook

What am I going to do (oh yeah)
been here a time or two already (already)
wish i can fall for you
its driving me crazy (ohhh baby!)

Chorus

Baby if, if your not with me then your against me
Baby if, if your not with me then your against me
Just let me breathe, this making music thing aint that
easy
I finally see, if your not with me then your against me

Verse two

Listen, I had turn my ringer off
Cause I'm stressed out, and don't want to talk
I roll around with my top turned off
just to listen to my music and collect my thoughts

[Hook]

What am I going to do
been here a time or two already (been here a time or
two already)
wish i can fall for you
Said its driving me crazy (ohhh baby!)

[Chorus]

Baby if, if your not with me then your against me (going
against baby, ohh no no noo)
Baby if, if your not with me then your against me
Just let me breathe (no), this making music thing aint
that easy
I finally see, if your not with me then your against me

(going against me)
