It's a good look

I aint mad at you (Omarion)

Sometimes I wish I didn't know you but I'm glad I do
(TUG)

(I, I) I aint mad at you

Sometimes I wish I didn't know you but I'm glad I do
(I, I)

(I, I) I aint mad at you

Sometimes I wish I didn't know you but I'm glad I do

(Sometimes I wish I didn't know you but I'm glad I

[Verse 1:]

I shoulda

Known I (known I'd)

Fall in love with your game

Guess I had it coming

Now I

Can't escape what I'm feeling inside

So ain't no use in running

But (oh no)

I don't know if you feeling me the same

You gotta tell me something (gotta tell me something)

Cause I don't wanna be in love with a girl

Who's way too busy fronting

[Hook:]

I wanna go back to when

To when you were just a friend

No complications

Not my heart's racing

When I see you baby

But it aint the same cause now

I can't resist your smile

You got me buggin

I'm caught off your lovin'

And I know it's crazy but

[Chorus:]

(I, I) I wish I didn't love you
(I, I) I wish I didn't love you
(I, I) I wish I didn't love you
Like I doooo
(I, I) I wish I didn't love you
(I, I) I wish I didn't love you
(I, I) I wish I didn't love you
Like I do

[Verse 2:]

Baby
Sometimes
I try to act like it aint what it is
Girl I gotta face it
Cause I (Cause I value all of the time that we shared)
And I don't wanna waste it (I wont even waste it babe)
You got a hold on me that I can't shake
So I wont even fight it (no I wont even fight it)
Girl you keep a smile on my face

And I be so excited

[Hook:]

I wanna go back to when
To when you were just a friend
No complications
Not my heart racing
When I see you baby
But it aint the same cause now
I can't resist your smile
You got me buggin
I'm caught off your lovin'
And I know it's crazy but

[Chorus:]

(I, I) I wish I didn't love you
(I, I) I wish I didn't love you (wish I didn't love)

(I, I) I wish I didn't love you (oh ooh ooooh)
(love you) Like I do

[Bridge:]

If loving you is wrong and I aint right
Cause I can't leave you alone
Babygirl you have made my heart your home
It's forever you and me
So never leave
I said if loving you is wrong and I aint right

Cause I can't leave you alone
Babygirl you have made my heart your home
It's forever you and me
So never leave
