[Omarion: Talking]

I don't know...
Should I stay?
Or should I go?
Yeah. I know.
This the Remix.
Remix.

See I'm in this situation.
Think I need a little help.
Let's go.

[Omarion:]

When this began
We were friends
She knew all my business
Through all my good, all my bad,
Said that she was wit it.
(Now) I got memories
This is crazy
She ain't nothin' like that girl I used to know

Didn't believe she would creep
Thought we was forever
She broke out, I broke down
And that's just on the level (No Oh)
Now these memories
They be haunting me
You ain't feelin' me
My girl's about to go~!

[Hook:]

And I really wanna work this out 'cuz I'm tired of fightin'
And I really hope she wanted me the way I want her
Said I really wanna work this out damn, girl I'm tryin'!
Tell these chicks, here's the remix (remix)

I got this Icebox where my heart used to be, (But I got this)
Icebox where my heart used to be (Said I got it)
I'm so cold, I'm so cold, I'm so cold, I'm so cold (No Oh)
I'm so cold, I'm so cold, I'm so cold (But I got this)
Icebox where my heart used to be
Said I got this Icebox where my heart used to be (No Oh)
I'm so cold, I'm so cold, I'm so cold, I'm so cold (No Oh)
I'm so cold, I'm so cold, I'm so cold

[Usher:][Omarion]
Pimpin', listen.

Hold up now, take your time
Let me get this right (uh huh)
You trippin' on what's in front of you
'Cuz you're looking behind ya (yeah but I mean...)
You got memories
But take it from me
'Cuz she ain't nothing like o' girl you used to know
If Shorty's doin' right by you
Maybe should let it go (maybe so)
At the end of the day it ain't worth it
Wanna know how I know? (how you know?)
Remember Confessions? (yea)
So you already know that it's gonna hurt
Shorty learned your lesson
Homie, you don't really wanna feel the burn (No Oh Oh Listen)

[Hook:]
If you really wanna work it out then stop denyin'
(Denyin'!)
Quit livin' in the past it's time you face the truth (Truth)
If it's ever gonna work out, you gotta stop lyin'
Stop blaming her when it's you,

That's got the Icebox where your heart used to be
Got an Icebox where your heart used to be
I'm so cold, I'm so cold, I'm so cold, I'm so cold (Oh)
I'm so cold, I'm so cold, I'm so cold
Boy you got an Icebox where your heart used to be
Got an Icebox where your heart used to be
I'm so cold, I'm so cold, I'm so cold, I'm so cold
I'm so cold, I'm so cold, I'm so cold

(I hear you but I, I don't wanna be)
I don't wanna be stuck, off in this cold, cold world
Don't wanna mess this up, better keep your eye on me
girl

[Usher:]
Past is the past,
Gotta let her go! (Say bro)
Gotta know when to move on, (Say bro)
You gotta know when to let go! (Guess so)
Don't lose your lay-day!

I don't wanna be stuck, off in this cold, cold world
Don't wanna mess this up, better keep your eye on me
girl

[Usher:]
Past is the past,
You gotta let her go! (Say bro)
You gotta know when to move on, (Say bro)
You gotta know when to let go! (Guess so)
(Can't lose my lay-day!)

[Hook:]
Girl, I really wanna work this out 'cuz I'm tired of fightin'
(I aint tryna fight you on this)
And I really hope you still want me the way I want you
Say I really wanna work this out damn, girl I'm tryin'!
There's no excuse, no excuse (Remix)

I got this Icebox where my heart used to be
I got this Icebox where my heart used to be
I'm so cold, I'm so cold, I'm so cold, I'm so cold
(No Oh) I'm so cold, I'm so cold, I'm so cold
Got an Icebox where your heart used to be
Got an Icebox where your heart used to be

This is the Remix, this is the remix
Go 'head replay it, this is the remix~!
