*[Omarion verse 1]*

I'm gon change  
I'm gon change  
I'm gon change  
I'm gon change

You said you sick and tired of me  
That I gotta leave  
I wasn't doin mah part  
I tried to dig deep inside of me  
Hoping that I can see  
How I was breaking your heart  
Now mah friends think i'm trippin  
They think i'm slippin  
But they just don't understand  
That when i'm with chu it feels right  
You make me feel like  
Like i'm a man

*[Chorus]*

I'll do  
Anything you want me to  
O whoa whoa whoa  
Girl i'm here to show and prove  
O whoa whoa I  
I never wanna leave you, Girl I wanna please you  
I just wanna see you right here next to me

Baby (I'm gon change)  
Tell me what to do  
I wanna be with chu  
I know I messed it up before  
But i'm gon change  
Oh baby  
I was so untrue  
I'll make it up to you  
I know I messed it up before  
But baby i'm gon change

*[Omarion verse 2]*

Now girl you took a part of me  
And it ain't hard to see  
To see i'm losing mah head  
I'm all alone with thoughts inside of me  
Can't get them out of me  
I'm missin you in mah bed  
I know your friends say to leave me  
Made it seem easy  
But baby you don't understand (No, O)  
That when your with me it feels right  
I'll make you feel like no other man can

*[Chorus]*

I'll do  
Anything you want me to  
O whoa whoa whoa  
Girl i'm here to show and prove  
O whoa whoa I

I never wanna leave you, Girl I wanna please you  
I just wanna see you right here next to me

Baby (Yeah, i'm gon change)  
Tell me what to do (Tell me what to do)  
I wanna be with chu (Ooooh I, O)  
I know I messed it up before (Before but i'm gon  
change)  
But i'm gon change  
Oh baby (O,O,O)  
I was so untrue (So untrue I)  
I'll make it up to you (Make it up to you, I)  
I know I messed it up before (I know I messed it up  
before)  
But baby i'm gon change

*[Bridge]*

Just let me explain  
That i'll never do it again  
If I could i'd take all the pain  
Because I know I hurt you  
Girl dogone all those lies  
And for all those times I made you cry  
Baby I apologize  
Because you everything to me

*[Chorus]*

I'll do

Anything you want me to  
O whoa whoa whoa  
Girl i'm here to show and prove  
O whoa whoa I  
I never wanna leave you, Girl I wanna please you  
I just wanna see you right here next to me

Baby (I'm gon change)  
Tell me what to do  
I wanna be with chu  
I know I messed it up before  
But i'm gon change  
Oh baby  
I was so untrue  
I'll make it up to you  
I know I messed it up before  
But baby i'm gon change

Baby (I'm gon change)  
Tell me what to do  
I wanna be with chu  
I know I messed it up before  
But i'm gon change  
Oh baby  
I was so untrue  
I'll make it up to you  
I know I messed it up before  
But baby i'm gon change
