[Omarion Talking:]

Damn, I really messed up this time
But Imma make it up to you
Listen

[1st Verse:]

Seems just like the other day
you were my woman
Shopping malls and holidays
couldn't tell us nothing
Now your gone away and I'm
still trynna deny it
But I'm tired from this pain
and I just can't hide it

[Hook:]

Its like oohooohooohoooh
I just can't get over you
Girl oohooohooohoooh
Feel like I caught the flu
Girl I'm sick from all these lies and these games
And I'm sick from being the reason we turned out this
way

[Chorus:]

I'm trynna act like I don't wanna be with you
Like I would be okay
If you just walked away
I'm trynna act like I don't wanna see you
Like you were just a face
I'll forget you in a day
I'm trynna act like I can do without feeling on your
booty
Find another ghetto cutie
To do me like you do me yeah yeah
But I'm just so addicted to you
Imma try but I cant
Cuz your all I'm trynna do

[2nd Verse:]

See ya here and there with your friends
And I start the frontin

Act like I been doing my thing
I don't need your loving
But you see it in my eyes
Girl something just aint right
Since we don't share this bed nomore
I can't sleep at night

[Hook:]

Its like oohooohooohoooh
I just can't get over you
Girl oohooohooohoooh
Feel like I caught the flu
Girl I'm sick from all these lies and these games
And I'm sick from being the reason we turned out this
way

[Chorus:]

I'm trynna act like I don't wanna be with you (oohoooh)
Like I would be okay (be okay)
If you just walked away (walked away)
I'm trynna act like I don't wanna see you (I don't wanna
see you baby)
Like you were just a face
I'll forget you in a day
I'm trynna act like I can do without feeling on your
booty (oh ho)
Find another ghetto cutie
To do me like you do me yeah yeah
But I'm just so addicted to you
Imma try (oh) but I cant
Cuz your all I'm trynna do

[Bridge:]

Baby I know
Guess I'm changing out the door (Can't play it off like
I'm so cool)
Girl you know I'm going straight out my mind
I can't stop thinking bout the things we did and the way
we kissed
I know it aint right playin like you aint my time girl
Trynna be a playa got me actin like IIII

[Chorus:]

Like I dont wanna be with you
Like I would be okay (like I would never be okay no)
If you just walked away
I'm trynna act like I don't wanna see you (but you know I
wanna see you baby yea)
Like you were just a face
I'll forget you in a day (but I'll neva forget you girl)
I'm trynna act like I can do without (oh oh) feeling on

your booty (booty)
Find another ghetto cutie (cutie)
To do me like you do me (do me yeah)
But I'm just so addicted to you
Imma try but I cant
Cuz your all I'm trynna do
