Ooooo yeah yeah yeah yeah  
Ooooo yeah yeah yeah yeah

## Verse One

I aint been able to run as fast as I wanna.  
Aint no way i can ever dunk like Mike.  
I wont be pushing empty plate's by tha summer  
Wont be no MC ya'll believe me I tried.  
I aint never gonna get it to know no Sadness.  
I can never be your very first kiss  
I'll have a better chance at walking on the moon.  
Then ever replacing you

## Chorus

Its impossible  
I can never find another there'll never be anotha like  
you (Girl) Its impossible  
It aint gonna happen I can't see me tryna live witout chu  
Cause I been there done that, shook u, came back you  
tha only one for sure  
it's impossible -(impossible) (so) Incredible  
replacing you'll be impossible

## Verse 2

It aint no way Im makin all your problems vanish.  
My name will never be Kopperfield.  
And there aint no way that ima take you for granted.  
And you can never change the way that I feel

## Hook 1 Z

(I don't consider my self no doctor) But I can see me  
working on your body  
(You won't let me buy you no copper) It's something I  
can't do when Im tryna say to you

## Chorus

Its impossible  
I can never find another there'll never be anotha like  
you (Girl) Its impossible  
It aint gonna happen I can't see me tryna live witout chu  
Cause I been there done that, shook u, came back you  
tha only one for sure

it's impossible -(impossible) (so) Incredible  
replacing you'll be impossible

#### Hook2

(all I really want ) Is you to be with me,  
spend all your time with me  
(all I really need) Me and you to cop a crib maybe some  
day you have my kids  
(All I really want) Me you together baby we can do  
whatever  
(and all i really need) Is for you to be down with me for  
ever- (ever)

#### Chorus

Its impossible  
I can never find another there'll never be another like  
you (Girl) Its impossible  
It aint gonna happen I can't see me tryna live without you  
Cause I been there done that, shook u, came back you  
tha only one for sure  
it's impossible -(impossible) (so) Incredible  
replacing you'll be impossible

#### outro (Repeat 1x)

Its impossible oh girl, I cant live with out you  
You're incredible I like anything you do  
Your instoppable baby girl me and you  
its impossible its impossible
