Get the truck, roll out of line  
Think IÃ¢??mma die sheÃ¢??s Ã¢??bout to take my life  
Check my vital signs before I flat line  
Cause itÃ¢??s looking like I wonÃ¢??t make it through  
the night  
I canÃ¢??t believe what she said,  
I ainÃ¢??t gonna never forget what she did to me  
(ItÃ¢??s, itÃ¢??s, itÃ¢??s killing me)  
And now she left me for dead  
I thought I was good but instead I think IÃ¢??m losing  
my head (ooh)

This girÃ¢??Is a killer, I swear that sheÃ¢??s killing me  
Look at my heart, feels like IÃ¢??m dying from misery  
Shorty is a killa, I ainÃ¢??t enough to keep her  
Uh, Oh she cutting me down like the Grim Reaper  
SheÃ¢??s killing me, killing me  
Shorty is a killa  
SheÃ¢??s killing me, killing me  
Shorty is a killa  
Killing me, killing me  
Shorty is a killa  
Uh Oh, she cutting me down.  
Shorty is a killa

Back it up  
Check the evidence.  
Told her I loved her, and it ainÃ¢??t been the same  
since  
She was my life line, left me to dry high  
Thinking I ainÃ¢??t gonna make it through the night.  
(Ooooh)  
I canÃ¢??t believe what she did  
I ainÃ¢??t gonna never forget  
What she said to me  
Just canÃ¢??t get it out of my head  
I thought it was love but instead  
Shorty was a Killa

This girls a killer, I swear that sheÃ¢??s killing me

Look at my heart, feels like IÃ¢??m dying from misery

Shorty is a killa, I ain't enough to keep her  
Uh, Oh she cutting me down like the Grim Reaper  
She's killing me, killing me  
Shorty is a killa  
She's killing me, killing me  
Shorty is a killa  
Killing me, killing me  
Shorty is a killa

Handcuff her cause I love her, but I couldn't keep  
her  
Told me I was shallow and she needed something  
deeper  
She guilty,  
In charge her killing me  
Her love is killing me  
Shorty is a killa

She's killing me, killing me  
Shorty is a killa
