when i think about my life
i wonder if i will survive
live to see 25
or will i just fall?
like all my friends
they just keep dying
people around me
always crying
in this place that i like to
call my home
but not everybody knows
that everybody goes
to a better place
and not everybody knows
that everybody
could be living their last days
but the hard times will come
and we'll keep moving on
we're moving on
keep movin' on
lifeÂi hopeÂi truthÂi
trustÂi prideÂi loveÂi lustÂi
on whitout the things we've lost
the things we've gained
we'll take whit us
and all i've got are these two hands
to make myself a better man
wonder if i 'll ever see the end of this
whit all this rain
if just keeps falling
on my head
and now i'm calling
out to someone else
to help me make it through
but not everybody knows
that everybody goes to a better place
and not everybody knows
that they could be living their last days

but the hard times will come
and we'll keep movin' on
we're moving on

KEEP MOVIN' ONÂi
lifeÂi hopeÂi trustÂi faithÂi
prideÂi loveÂi lustÂi painÂi
hateÂi liesÂi guiltÂi laughtÂi
cryÂi liveÂi dieÂi
some friend become enemies
some friends become your family
make the best whit what your given
this ain't dying
this is living
said we're moving on
and we've got nothing to prouve
to anyone
cuz we'll get through
we're movin' on
and on and on and on
and on and on and on and on
and on and on
and on and on and on
and on and on
and on and on and on and on
KEEP MOVIN' ONÂi
lifeÂi hopeÂi truthÂi trustÂi
faithÂi prideÂi loveÂi lustÂi
painÂi hateÂi liesÂi
guiltÂi laughtÂi cryÂi liveÂi dieÂi
some friends become enemies
some friends become your family
make the best whit what your given
this ain't dying
this is livingÂiÂiÂi
