O... Let me tell you girl
Oh... hey here I go, here I go

I know you heard me say it
Time and time again
That they would rock your world
And change your life
But I can't blame them
Cause you make a nigga wanna get involved
Wanna get them draws
Well I'm gone put my bid in to get at you
No disrespect but I want it bad as they do
The only difference is
They look out for themselves
But I'm doin' it just to hear you yell... yeah

[Chorus:]
O... that's gonna be the sound
Girl when it's goin' down
Your body sayin' O...
Don't have to say my name
Girl I'm just glad you came
So you can say O...
In the morning O...
In the night
You sayin' O...
Means O's hittin' it right O O O
You can't be mad at me
I'm just aimin' to please
Let me hear you scream O...

Girl come over and
Let's get this thing crackin'
You'll be surprised when
You see what O's unpackin'
Cause I'm young but I'm ready
Trynna get hot and heavy
Turn you out if you let me... yeah yeah

Girl I'm gonna take you some where that you never
been
Show you some things that'll

Make you wanna tell your friends
Have you so weak that you
Can't even say a thing
But that's okay all you gotta say is O

[Chorus:]

O... that's gonna be the sound
Girl when it's goin' down
Your body sayin' O...
Don't have to say my name
Girl I'm just glad you came
So you can say O...
In the morning O...
In the night
You sayin' O...
Means O is hittin' it right O...
You can't be mad at me
I'm just aiming to please
Let me hear you scream O...

O is for that overtime I'm puttin' in
We'll go for hours take a break
And go at it again
Girl I work my way from A
All the way to Z
But trust me baby girl
O is where you wanna be
Please believe me when I tell you
I'm not trynna tell you what to do
Cause when it's said and done
The choice ain't mine it's really up to you
Just say yes don't fix your mouth
To tell me NO drop that bottom
Jaw for me and just say O...

[Chorus:]

What, what about, O... that's gonna be the sound
Girl when it's goin' down
Your body sayin' O...
Don't have to say my name
Girl I'm just glad you came
So you can say O...
In the morning O...
In the night
You sayin' O...
Means O is hittin' it right O...
You can't be mad at me
I'm just aiming to please
Let me hear you scream O...

Let me hear you say

O, when I'm hittin' it
Let me hear you say
O, when I'm gettin' it
Ohh...
Let me hear you say
O, when you come through the door
Let me hear you say
O, from the bed to the floor
Let me hear you say
O, when it's all going down
Let me hear you say
O, when you can't make anutha sound
Now somebody say my name
Let me hear you say
O, when the sun goin' down
Let me hear you say
O, when you can't make another sound
Now scream
