[Intro]

Whoa

Let me tell you girl

Whoa whoa whoa

Hey here I go(Here I go)

[Verse 1]

I know you heard men saying time and time again
That they would rock your world and change your life
But I cant blame them cause you make a nigga wanna
get involved
wanna get them drawers
Well Im gonna put my bid in and get at you
No disrespect but I want it as bad as they do
The only differences is they look out on themselves
But Im doing it just to hear you yell

[Chorus]

oooooooo

It's gonna be the sound girl when its going down ,Your
body saying ooooooooo

Don't have to say my name girl im just glad you came

,So u can say ooooooooo

In the morn ooooooooo

In the night You say O mean "O" is hitting it right

oooooooo oooooo ooooooooo

You cant be mad at me

Im just aiming to please

Let me hear you scream O

[Verse 2]

Girl come on and get this thing crackin

You'll be surprised when see what O's packing

Cause im young but im ready

Tryna get hot and heavy, Turn you out if you let
me(yeah yeah yeah)

Girl Im gonna take you somewhere that you never been

Show you something's that will make you want to show
your friends

Have you so hit that you cant say a thing

But that's ok all you gotta say is oooo

[Chorus]

[Verse 3]

O is for that overtime I'm putting in
We'll go for hours take a break and go at it again
Girl I'll work my way from A all the way to Z
But trust me babygirl O is where you wanna be
Girl believe me when I tell you I'm not tryna tell you what
to do
Because when it's said and done, The choice aint
mines it's really up to you
Just say yes, Don't fix your mouth to tell me no
Drop that bottom down for me
And just say

ooooooooooooo oooooooooo ooooooo

[Chorus]

Let me hear you say O when im hitting it
Let me hear you say O when im getting it
Let me hear you say O when you come to the door
Let me hear you say O from the bed to the floor
Let me hear you say O when its all going down
Let me hear you say O when you cant make another
sound
Babygirl let me hear you scream O
Babygirl let me hear you scream O

oooo ooooo oooo
