Obsession
-----Omarion

(feat. Pharrell Williams)

Obsession (My heart, heart go boom, boom tap) [x8]
Hey
Excuse me if I find my self dumb, looks like somebody
else has my wife
So tell me where the fuck you came from (where you
came from)
I never seen nothing like you in my life

So i close my eyes and try not to think of your eyes, not
to think of your smile, and the face u making,
should've thought about that before, u came strolling
through the back door, the back door of my heart,
tearing everythang apart

I say oh oh oh no no I, I think i'm falling for u
(I think i'm falling for u)

I say oh oh oh no no I, I think i'm falling for u
(I think i'm falling for u)

oh no no (obsession),oh no no (obsession), oh no no
(obsession) babe

Ok i gotta tell my mom about u
i hope this is ok bout time
yea he dropped u off here but he's not through(he is
not through)
grab my hand and help me map out my life

So i close my eyes and try not to think of your eyes, not
to think of your smile, and the face u making,
should've thought about that before, u came strolling
through the back door, the back door of my heart
tearing everythang apart

I say oh oh oh no no I,I think i'm falling for u

(I think i'm falling for u)

I say oh oh oh no no I, I think i'm falling for u
(I think i'm falling for u)

oh no no (obsession), oh no no (obsession), oh no no
(obsession) babe

If u need u can leave and things will be the way they
were baby,
But from what i see you need some one to cool that
fever from me
