Woah, let me tell you girl
Hey, here I go, here I go

I know you heard men say it time and time again
But they would rock your world and change your life
But I can't blame them
'Cause you make a nigga wanna get involved
Wanna get dem drawers

Well I'm gone put my bid in to get at you
No disrespect but I want it bad as they do
The only difference is they look out for themselves
But I'm doin' it, just to hear you yell, yeah

O that's gunna be the sound
Girl when it's goin' down, your body sayin' O
Don't have to say my name
Girl I'm just glad you came, so you can say O

In the morning, O, in the night
You saying O means, O is hittin' it right
Ooo, ooo, ooo, you can't be mad at me
I'm just aiming to please, let me hear you scream O

Girl come on over and let's get this thing crackin'
You'll be surprised when you see what's O's unpackin'
'Cause I'm young but I'm ready, trynna get hot and
heavy
Turn you out if you let me in yeah, yeah

Girl I'm gone take you somewhere that you never been
Show you some things that'll make you wanna show
your friends
Have you so weak that you can't even say a thing
But that's okay all you gotta say is

O, that's gunna be the sound
Girl when it's goin' down your body sayin' O
Don't have to say my name
Girl I'm just glad you came, so you can say O

In the morning, O, in the night

You saying O means, O is hittin' it right
Ooo, ooo, ooo, you can't be mad at me
I'm just aiming to please, let me hear you scream O

O is for that overtime I'm puttin' in
We'll go for hours, take a break and go at it again
Girl I work my way from A, all the way to Z
But trust me baby girl O is where you wanna be

Girl believe me when I tell you
I'm not tryna tell you what to do
'Cause when it's said and done
The choice ain't mine it's really up to you

Just say yes, don't fix your mouth to tell me no
Drop that bottom jaw for me and just say O
What word but what word but O

O, that's gunna be the sound
Girl when it's goin' down, your body sayin' O
Don't have to say my name
Girl I'm just glad you came, so you can say O

In the morning, O, in the night
You saying O means, O is hittin' it right
Ooo, ooo, ooo, you can't be mad at me
I'm just aiming to please, let me hear you scream O

Let me hear say O, when I'm hittin' it
Let me hear say O, when I'm gettin' it
O, O, O, O, O
Let me hear you say O, when you come see O
Let me hear you say O from the back to the front
Now somebody say my name

Let me hear you say O when it's all goin' down
Let me hear you say O when you can't make another
sound
Now scream

Baby girl let me hear you scream O
Baby girl let me hear you scream O
Yeah, that's how you do it girl just like that
