Pretty pretty ass hoes in my room wearing lingerie  
Bout to make a scene puffing green sipping  
chardonnay  
Face down ass up that's the way we like to uuh  
Face down, ass up that's the way we like to fuck

You show me things I ain't heard of heard of heard of  
The way you poppin it is like murder  
The way you poppin it is like murder  
The way you calling me daddy daddy daddy  
You can make anyone happy girl

Let's get turnt up have a hell of a night  
You can bring your friends, friends, friends  
It'll be alright yeah, girl let's get fucked up  
I think you're so damn fine  
Baby turn off the lights  
Cause we going to paradise

Face down ass up that's the way we like to uuh  
Face down ass up ass, ass like to uuh

No secrets tell me all your secrets girl  
No secrets tell me all your secrets girl

You show me things I ain't heard of heard of heard of  
The way you poppin it is like murder  
The way you poppin it is like murder  
The way you calling me daddy daddy daddy  
You can make anyone happy girl

Let's get turnt up, have a hell of a night  
You can bring your friends  
It will be alright yeah, girl let's get fucked up  
I think you're so damn fine  
Baby turn off the lights  
Cause we going to paradise  
Let's get turnt up

Face down ass up that's the way we like to uuh  
Face down ass up that's the way we like to uuh

It will be alright yeah girl let's get fucked up  
Face down ass up that's the way we like to uuh  
Face down ass up paradise
