

## Omarion "She's Leaving Me"

Visit "[She's Leaving Me](#)" on [MotoLyrics.com](https://MotoLyrics.com)

oh6x(damn she;s leaving me)

intro:how did i let it go this far

verse1:This time its over I just used my last excuse now  
shit hit the wall an im sitten here with nothing knowing  
that i had it all

chorus:(Aint nothing to say)cause i done said so much  
to point were she(dont even believe me)aint nothing i  
can do cant believe after all we been through damn  
2x(she's leaving me)

hook:were did i go wronge i thought love you would get  
me outta this one but its all done an (she's leaving  
me...oh3x damn she's leaving me

verse2:I know what i was thinking (i'll tell this lie slip out  
this time)but you smarter that i think i should've tryed  
to play you,i always say i need you( then i regret why i  
even choose to fool wit you)
