[Verse 1:]

I
See you across the room
I had to come get at you
You want it
Model Chick
Ooo you done true so I
Stepped to the DJ quick
I told him to drop that I'm Mr Biggs
Just give me the chance
To put my hands
On you

[Chorus:]

Made the DJ slow it down
So I can put my arms around you
Had to get you next to me
Cause we about to be
Doing our thing
Slow dancing
Bumping and grinding and maybe (maybe)
Romancing
So into you
Not, trancin'Â'
Hands on your waist
We face to face
Slowww dancing
Bumping and grinding and maybe
Romancing
IÂ'm all in your ear
And IÂ'm whispering (oh!)
IÂ'm feeling this
'Cause we chilling baby

[Verse 2:]

Now that I got you right here
IÂ'm feeling you girl itÂ's clear
You know what I mean
IÂ'm thinking bout whatÂ's in them jeans
I ain't tryna let you go
DonÂ't want it to end oh no
Fienin for you for sure

So tell him to drop one more

[Chorus:]

Made the DJ slow it down
So I can put my arms around you
Had to get you next to me
Cause we about to be
Doing our thing
Slow dancing
Bumping and grinding and maybe
Romancing
So into you
I'm trancin'
Hands on your waist
We face to face
Slowww dancing
Bumping and grinding and maybe
Romancing
IÂ'm all in your ear
And IÂ'm whispering (oh!)
IÂ'm feeling this
'Cause we chilling baby

[Break:]

I
Want this to go on all night
Ooo baby it feels so right
Me up on you
Holding you tight (yea)
So nice
Baby donÂ't you go no where
Keep it right there
Yea yea yea yea

[Chorus:]

Slow dancing
Bumping and grinding and maybe
Romancing
So into you
I'm trancin' (trance)
Hands on your waist (waist)
We face to face (Face)
Slowww dancing
Bumping and grinding and maybe (bumping and
grinding yea yea yea)
Romancing
IÂ'm all in your ear
And IÂ'm whispering oh!
IÂ'm feeling this
'Cause we chilling baby

[Repeat last chorus 'til fade...]

[Talking during last chorus]

This is my song for real no doubt
And the DJ making me feel thugged out
As I walked onto the dance floor
Baby get your dance on
Put your arms around me
Cause Iâ€™m feeling on your booty
