[Verse One:]

One, and here comes the two to the three
And four
Girl yo' body sick,
You the hottest thang on the floor.
You bustin' through them AppleBottom jeans
And I can't stop gettin at you
Cuz I'm a fein
Lookin' at my wrist, staring at my pinky ring
Whispering in my ear real close
Sayin' kinky things
Tattoo on the small of your back
And ya booty so fat, mami shake that

[Chorus:]

Damn
Shorty got a hold of me
Shorty tryna take control me
Got me sayin, damn
Shorty wanna roll with me
Shorty wanna be involved with me
She got me like damn

[Repeat]

[Verse 2:]

Now we sneakin out the back door of the club
Girl I know you tipsy
Homie rollin' with me, swiftly, simply
Cuz she fellin love when she kissed me

Just one touch, and shorty was history
And I aint tryna brag or boast, but ya body jivey
Need a good lovin' from a somebody
And the way you was moving, I could see you know...
What you doin girl... lets get to it girl...

[Chorus:]

Damn
Shorty got a hold of me
Shorty tryna take control me
Got me sayin, damn
Shorty wanna roll with me
Shorty wanna be involved with me
Baby I'm like damn
